Thanks to our generous donors for making this fundraising event possible! We couldn't have done it without you. Faith Lutheran Home appreciates each and every one of you!

We are one step closer to reaching our goal of \$100,000 for updated air conditioning, boiler, and updated sidewalks. If you did not get the opportunity to donate and wanted to do so, please see our website faithlutheranhomeosage.com or send a donation to Faith Lutheran Home at 914 Davidson Drive, Osage. Thanks for your continued support!
